MOROCCAN CLAY DIY MATTE PLASTER

Clay Plaster

Matte Texture

Easy Application

American-Made

Interior Finish

Breathable

Low VOC

Eco-Friendly

Moroccan Clay is an eco-friendly, natural plaster that produces a matte mottled finish on almost any interior surface. This tintable paste, features easy application and exceptional durability. Formulated with real clay, its natural composition ensures lasting performance, while its beautiful, hand-troweled texture creates soft movement and visual depth. Moroccan Clay offers the smooth, effortless application DIYers love, with the added benefit of a truly natural, durable, and breathable finish that lasts. It's the perfect blend of ease, elegance, and authenticity.
